

KEEPERS ZAMBIA FOUNDATION GENDER STATEMENT

Keepers Zambia Foundation recognises that good governance with meaningful and sustainable development can only be attained through full participation of men, Youth and women. Therefore Keepers Zambia Foundation commits its self to:

- An inclusive approach during programing so that none is left behind regardless of their gender.*
- Mainstreaming gender in organisation policies, programmes and procedures.*
- Creating an environment which allows men, youth and women to fully participate and have every opportunity to succeed*
- Supporting and promoting all gender aspects to mitigate gender biasness*
